

Emerging Academic Impact Trends

Summer participation = higher GPA at the beginning of new school year

of hours and # of programs can predict GPA growth

Association between summer programming and GPA growth strongest for African American Students

Learning Pathways

What **skills and competencies** do youth need to be prepared for the unknowns of tomorrow?

What **experiences** do youth need to participate in to gain these skills and competencies?

Today  **The Future**

STEAM Camp	T/MIAS	Theater Workshop	GI/6 Rock Summer	Creative Writing After School	Goal Attainment:
